**PART D**

# Returning Counselor Evaluation

The information provided on this evaluation will be used to help plan and guide our training process this year and to help make camp successful. Please take the time to reflect on each question and give thoughtful detailed answers. ***One word, incomplete sentences or ineligible handwriting is not acceptable.*** Please keep in mind that returning counselor are not guaranteed a position.

1. What topics or activities could be incorporated into trainings this year to better prepare our counselor team? What things can we do to make counselor training more exciting?

2. What gave you challenges at camp or camp planning? How can we correct these challenges for the future?

3. What new event or activity can we incorporate into camp this year?

4. What is one way you can step up as a team player this year to help during camp or trainings?

5. What do you like most about working with kids during camp? What things made you want to come back and be a counselor again?

6. Supervision is one major responsibility of a camp counselor. What are some others?

7. What are the qualities of a good camp counselor? Describe the qualities of a bad camp counselor.
