

2020 4-H Modeling / Style Revue Narrative

General Guidelines:

1. Any 4-H member enrolled in any project may participate in the Modeling Revue.
2. Age for each category is determined by 1/1 of the current year.
3. Items modeled must be from 4-H project work. Projects from outside of the 4-H program for school or hobbies will not be accepted.
4. Applicants should complete narratives for each project they wish to model but will be in the same age bracket for each project.

Registration Deadline - August 3, 2020. No late registrations will be accepted.

NEW and FOR ONLY 2020:

We will not break the modeling into Special Interest, Clothing, and Foods categories this year. The classes will be broken into age divisions only - First year, Junior, Intermediate, and Senior. Members will model based on their 4-H Age. All members, regardless of project category, will be competing against each other.

Cloverbud members will be modeling as in previous years for a participation ribbon.

Age Bracket:

Cloverbud

First Year: never competed in any category of modeling

Junior: 8 -11 years old

Intermediate: 12 -14 years old

Senior: 15 - 18 years old

Prior age bracket winners do not apply for 2020. You will model based on your age regardless of prior year's winning. NO professional division or jumping an age bracket. This year's winner will not apply to future years.

Things included in the narrative revue:

- What are you modeling? (Basic overview of your project)
- What did you like best about the project?
- Name two hobbies
- One fun thing you did this summer: (1 sentence)
- Is there anything else you would like to add? (2-3 sentence maximum)
