

Livestock Fair Entry Directions

All Junior Fair livestock exhibitors (with the exception of Rabbit, Poultry and Dog members) will complete their livestock entries online this year. This will replace the paper forms from previous years.

When completing online entries, make sure you enroll all your animals that will show at the fair and sign up for showmanship classes. You must follow all Junior Fair rules when entering your animals. **Please give us accurate information regarding tags and the animals you will be bringing to the fair to ensure accuracy for classes/shows and stalling purposes. Do not enroll more animals than what you are planning on bringing to the fair.**

If you need to change ear tag number or other information, it is helpful to get this information a week before the fair. This ensures that weight slips and other information that is printed will be accurate. But changes can be made up till weigh ins. If pen or stalling information needs to change will let us know a week in advance before we assign spaces.

This help sheet will guide you through the process. The process is the same from last year. The following bullet points are helpful tips if you do not want to read the entire document:

- Sign into FairEntry - <http://MercerOhio.fairentry.com>
- **Click on the green button** “Sign in with 4HOnline”. You will register with your 4HOnline information. This was the email and password you created for the March 1 Enrollment.
- Do Not press submit until you have registered all your children, all livestock entries, and signed up for showmanship
- All animals must be identified with a tag number. Please use the tag number given to you at tagging for beef & swine. Sheep and goat exhibitors, please use last 4 digits of scrapie tag. If there is not an official tag in process for your animal (dairy, breeding), please give your animal the #1 or any other number you choose.

All entries are due to be completed by Friday, July 10th.

You will notice that Beef and Swine will be pre-registering for Open Class Shows this year using fair entry. The fee and final registraion will take place at the fair.

Please don't hesitate to reach out to our office for any question you might have or assistance you may need.
