Cloverbud Show & Tell Information:

- Cloverbuds should bring an item they made to share with the judge. This item could be made at home or from a club activity/project. Have your child practice talking about their item and be prepared to talk with the judge. Judges will encourage the kids to talk about themselves and their project.
- Cloverbud Show & Tell times are assigned by club. Members are not expected to be there during the entire time frame assigned to their club and will be judged on a first come, first serve basis.
- 4-H members and cloverbuds can earn a \$5.00 premium for completing a project for the fair. In order for a cloverbud member to receive their premium, they must complete Cloverbud Show & Tell.
- Model Revue Forms can be turned in at Show & Tell for any interested cloverbuds.
