Cloverbud Show & Tell Information:

- Cloverbuds should bring an item they made to share with the judge. This item could be made at home or from a club activity/project.
- Cloverbud Show & Tell times are assigned by club rather than individual times. Members are not expected to be there during the entire frame assigned to their club. For example, if your club is scheduled from 9:00-10:30, you could chose to arrive at 10:00 or whatever time works for your family during that assigned time. Judging times average between 5 and 10 minutes.
- 4-H members and cloverbuds can earn a \$5.00 premium for completing a project for the fair. In order for a cloverbud member to receive thier premium, they must complete Cloverbud Show & Tell.
