

Finding a Club for Your Family:

1. Look for a club that meets in a location that is convenient for you.
2. Find a club that accepts members within your child's age range.
3. Decide what kind of projects your child plans to take.
4. Contact the main advisor for more information. Ask about things like participation/attendance requirements, club dues, fundraising or any other questions you might have.
5. Ask what kind of involvement or participation the club expects of parents.
6. Set up a visit to a club meeting or jump right in! Have fun and enjoy your 4-H experience!
