

2020 Cloverbud Stay at Home Project

Our 4-H year is looking different for members and clubs due to the COVID-19 pandemic. Unfortunately, we are not able to participate in activities, see our 4-H friends or attend 4-H meetings and events. Therefore, the Cloverbud Stay at Home Project will replace Cloverbud Show and Tell (Judging) this year.

If your cloverbud member would like to be entered into a drawing to win some 4-H goodies, he/she should complete 2 out of 3 activities in each of the four sections below of the Cloverbud Stay at Home Project.

Once complete, submit the form to the Extension Office in one of the following methods:

Mail: OSU Extension – Mercer County
220 W. Livingston St., Rm. B252
Celina, OH 45822

Email: bowers.360@osu.edu

Deadline to complete and submit to the Extension Office – July 17, 2020
