

## Livestock Fair Entry Directions

All Junior Fair livestock exhibitors (with the exception of Rabbit, Poultry and Dog members) will complete their livestock entries online beginning this year. This will replace the paper forms from previous years. This help sheet will guide you through the process. Please read the entire guide before attempting to make your entry to ensure the process is done correctly.

**All entries are due to be completed by Wednesday, July 10<sup>th</sup>.** To verify the entries were correctly made - members will approve and sign off on their entries at livestock skillathon.

When completing online entries, make sure you enroll all your animals that will show at the fair and sign up for showmanship classes. You must follow all Junior Fair rules when entering your animals. **Please give us accurate information regarding tags and the animals you will be bringing to the fair to ensure accuracy for classes/shows and stalling purposes. Do not enroll more animals than what you are planning on bringing to the fair.**

Please don't hesitate to reach out to our office for any question you might have or assistance you may need.
