

Frequently Asked Questions

How do I register to bid?

Only registered bidders over the age of 18 can participate in our online auctions. To register, select the Register link displayed on any of the auction pages. Enter your contact information. When you submit the form, a message will appear to give you instructions on how to submit your information to verify your account. You will also need to review and agree to the User Agreement.

Why is a credit card required to bid?

Occasionally we require each bidder to post a credit card verification to ensure that each of our bidders is a valid, qualified bidder. This verification method has been implemented for the protection and security of each of our bidders. Each bidder knows that all bidders are valid and that they have met the same requirements that you have to be able to bid online. The credit card verification process is completely secure. This is the only procedure available to bid online. See our privacy policy below.

How do I bid?

Login into your account. Select the auction you would like to view. When the bidding for the auction is open you will have the opportunity to enter your bid and your maximum bid for each item.

What is a Bid Increment?

The Bid Increment is the minimum dollar amount that the bid must be to submit. You can bid higher than the minimum bid, or you may enter a Maximum Bid, but you may not bid in denominations less than the set Bid Increment.

How and when do I pay?

Billing and invoicing will be handled by the clerks of the Mercer Co Sale Committee – same manner as in the past. Typically one week following the close of the auction, an invoice will be mailed or emailed to you.
