

Four FUN things on the Fourth

1. Home Grown Fun

Never too early to start planning for your fair booth.

Delegate! Get new help parent volunteer!

What can be made early?

PRACTICE

LIKE YOU'VE NEVER WON.

PERFORM

LIKE YOU'VE NEVER LOST.

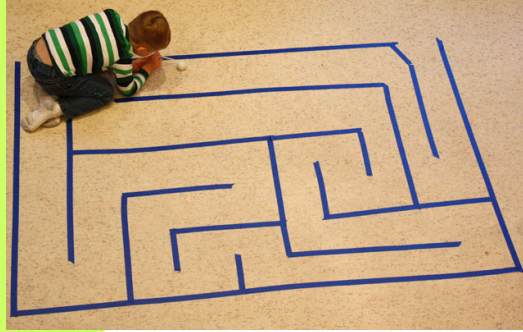

2. Livestock Kits

- These are rented out less and less each year. Still a great resource for meetings and preparing for skillathon.
- Can you make a contest or challenge at a meeting with prizes?

3. Masking Tape Maze

- Use blue painters tape to create a maze on the floor
- The goal is to move a ping-pong ball through the maze by blowing it with a straw.

4. Paper Tulips

- All the materials are ready at the office for a club to use while supplies last! You just need to supply the glue sticks.
- Mother's Day gift? Donate to nursing for Easter?
