

Monkey Plate Craft

Materials Needed

2 paper plates

Brown Paint or marker

Black Sharpie

Brown construction paper

Scissors

Pencil

Glue

Instructions:

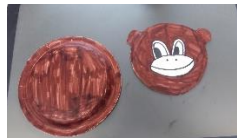

Step 1: Draw a cute monkey face onto one of the plates.

Step 2: Cut ears out of the plate.

Step 3: Color or paint both plates brown.

Step 4: Glue the head to the body.

Step 5: Create arms, legs, tail, feet, and hands with construction paper. You can trace your hands to make hands and feet for the monkey.

Step 6: Glue or tape the arms and legs together and attach them to the monkey.
