

Quick Tips - Livestock FairEntry

FairEntry is the online platform to register/enroll your specific animals for the fair. You must follow all Junior Fair rules when entering your animals. **Please give us accurate information regarding tags and the animals you will be bringing to the fair to ensure accuracy for classes/shows and stalling purposes. Do not enroll more animals than what you are planning on bringing to the fair.**

If you need to change ear tag number or other information, it is helpful to get this information a week before the fair. This ensures that weight slips and other information that is printed will be accurate.

ENTRY PROCESS for 4-H MEMBERS

- Sign into FairEntry - <http://MercerOhio.fairentry.com>
- **Click on the green button** “Sign in with 4HOnline”. You will register with your 4HOnline information. This was the email and password you created for the March 1 Enrollment.
- **Do Not press submit until you have registered all your children, all livestock entries, and signed up for showmanship.** If you press submit- you will need to wait until Beth approves those entries until you can sign in again.
- **All entries are due to be completed by Monday, July 8.**

ENTRY PROCESS for FFA MEMBERS

- **FFA members who ARE also 4-H members:** Families will login to FairEntry using their 4HOnline account as normal. For the member who is dual-enrolled in 4-H and FFA, they will create their 4-H class entries just like everyone else. The youth will create their FFA animal just as they did their 4-H animals but will designate their FFA chapter as the “club”.
- **FFA members who have siblings in 4-H:** Login into FairEntry with your family 4HOnline information and create a new exhibitor for the FFA member and select your chapter.
- **FFA members who are NOT 4-H members:** FFA members, not enrolled in 4-H, will create a new FairEntry account. Follow the steps to enter exhibitor information and adding class entries.
