

# Safari Animal Silhouette Craft

## Materials Needed:

Paper

Scissors

Watercolor paint

Tape

Construction paper

## Instructions:

1. Start by drawing or printing out the outline of any animal of your choice. Then cut out the animal.
2. Tape the outline of the animal on a piece of white paper.
3. Outline your animal in pencil.
4. Take watercolor paint and paint the entire page except for the animal.
5. Let the paint dry. Then take off the outline of the animal. Be careful to not rip your paper!
6. Touch up any spots you may have missed with watercolor.
7. Add a construction paper border.
8. Decorate your border.
9. Now see your artwork!
